STEPHEN A. LAND

Dear Fellow Professionals:

After over 35 years as a family lawyer, I have decided to make mediation my main concentration. I have been mediating cases privately and for Cobb County ADR for many years, but it has been a sidelight to litigation. I now think I can be of more service mediating disputes, helping the parties and their lawyers reach agreements, rather than throwing away my energy and theirs in the courts. Any lawyer (and party) who is honest with themselves knows well the desirability of reaching a fair settlement of a divorce case rather than scrambling for a judge-imposed decision. My familiarity with the process, the courts, and the law make me an effective and persuasive mediator. Anyone who wants further information on my background or contact information is invited to go to www.divorceland.com. You can also call me at (404) 550-1498.

I am familiar with many mediators in the Atlanta area and am also aware of the fees charged. I believe that \$380.00 an hour for mediation is fair. It is certainly not the lowest fee charged but a long way from the highest. I have an office for mediation (my preferred location) but will also travel (within reason) to most locations in the Metropolitan Atlanta area when necessary.

I look forward to working with you in the very near future.

Best regards,

Stephen A. Land
